

KnowBe4 Security Awareness Training Standing Offer for Association of Independent Colleges & Universities of Ohio

KnowBe4 is the world's largest security awareness training and simulated phishing platform, proven effective in helping organizations manage the ongoing problem of social engineering and reducing vulnerabilities to ransomware, malware and other data breaches.

The KnowBe4 platform is user-friendly and intuitive. It was built to scale for busy IT pros that have multiple fires to put out. Our goal was to design the most powerful, yet easy-to-use platform available.

Customers of all sizes can get the KnowBe4 platform deployed into production extremely fast. Our Customer Success team gets you going in no time, without the need for consulting hours.

To ensure all members of the Association of Independent Colleges & Universities of Ohio receive the best pricing on our New School Security Awareness and Phishing platform, we are providing a set discount via a Standing Offer. Association of Independent Colleges & Universities of Ohio members will receive a 25% discount on all of our subscription levels in addition to our 10% SLED discount.

Our 3-year subscription has a built-in discount of 20%. Association of Independent Colleges & Universities of Ohio members opting for a 3-year subscription will receive the multi-year discount of 20% on top of the 25% discount.

Our Diamond level (1 or 3 year) will also include our Home Internet Security Course as well as our Children's Interactive Cybersecurity Activity Kit. These can be shared with 5 friends and family members.

This Standing Offer for Association of Independent Colleges & Universities of Ohio members runs through October 15th, 2019.

All subscription levels include the following basic services. (Advanced features and additional training resources increase with each subscription tier.)

- Admin Management Console
